

Chromatic Intervals

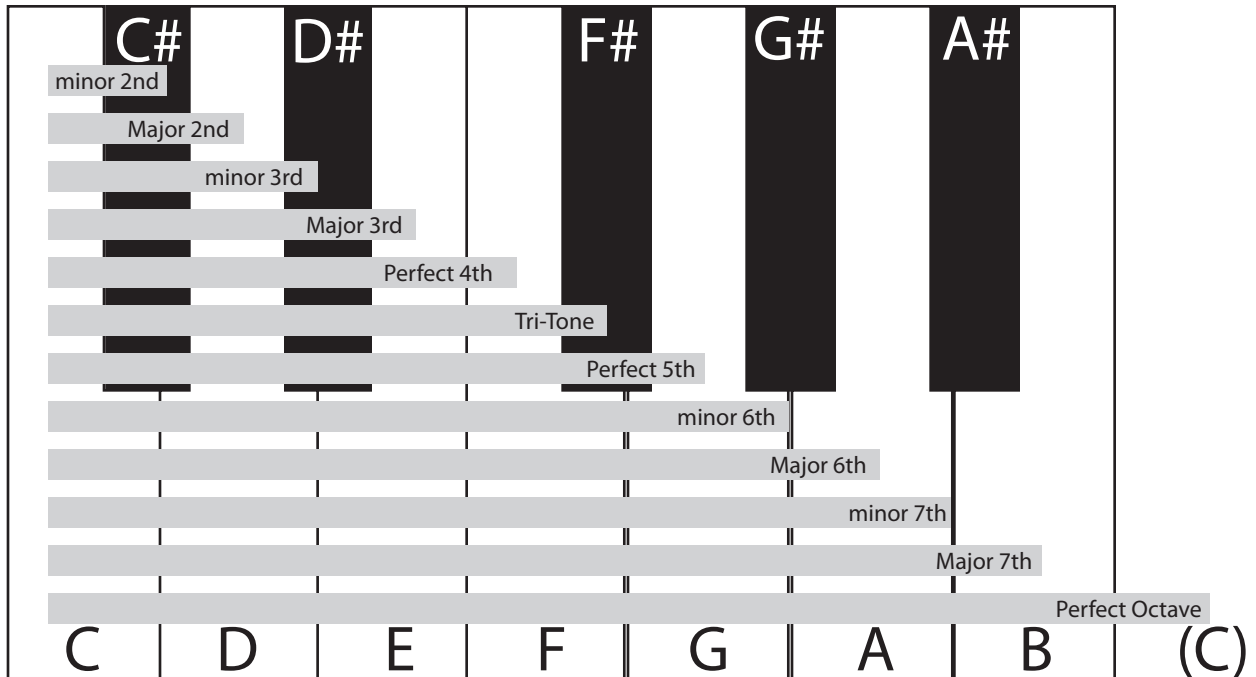

An interval is the space between two notes. Chromatic intervals increase by 1/2 steps.

The PERFECT intervals are: 1 - Unison, 4 - Perfect Fourth, 5 - Perfect Fifth, and 8 - Perfect Octave.

The MAJOR/minor intervals are: 2, 3, 6, and 7.

The TRI-TONE is the center of the octave. It is the AUGMENTED 4TH or the DIMINISHED 5th.
